Ms. Husband,

I have reviewed the Division's files and talked with Wil Jones and others but, I'm sorry to say, I find no record of such a filing received by this office. I apologize if we misplaced or mishandled it in anyway.

If you would please fax me a copy of this application and all of the support data I will give it priority status and review it immediately.

Please use the following fax number (505) 476-3471. Also, if you will e-mail me when you are ready to transmit this filing, I will wait for it.

If there are any problems, my telephone number is (505) 476-3465.

Called Hobbs OCD office this am. Status of approval to drill NSL location filed 10-2-02 - Hobbs stated waiting on NSL number from your office. Letters from Apache & Brothers Production co w/no objection to application, no response from other offset operators.

2223 FSL & 860 FEL, Sec 32 (I), T18S, R38E, Lea County, proposed 7000' Drinkard well

Stogner, Michael
