Amended Commingling Order PLC-142-6

Dear Interest Owner,

Enclosed for your information is a copy of Amerada Hess Corporation's application requesting Administrative Approval for a revision of Amended Commingling Order No. PLC-142-6 to include oil production from Fred Turner Jr. 'B' Wells No. 3, No. 4 & No. 5 recently completed in Skaggs; Drinkard, Nadine; Paddock-Blincbry West, and Nadine; Tubb, West.

This facility handles oil production from multiple pools underlying multiple leases in a single facility in exception to NMOCD rules 303 & 309. This request is based on minimizing the number of facilities required for storage/sales points.

NMOCD regulations require any objection to this proposal be made within 20 days of receipt of this letter.

If we can answer any questions concerning this application, please let us know at your earliest convenience.

Sincerely,

A handwritten signature in black ink that reads "Carol J. Moore". The signature is fluid and cursive, with the first letters of each name being capitalized and prominent.

Re: Pool and Lease Commingling
Warren McKee Unit & Fred Turner Jr. 'B'
Lea County, New Mexico
Amended Commingling Order PLC-142-6

Gentlemen:

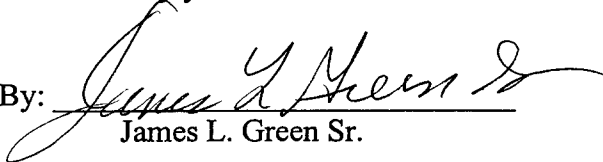

I have no objection to amending the above referenced Commingling Order so long as proper measuring and monitoring procedures are in effect to measure the production from each well.

Obviously, I am not familiar with the terms and language used in your correspondence dated April 15, 2004 and request additional information regarding your application to NMOCD. I would not want to agree to anything that would negatively affect the interest of the Estate of Galyn Horne, deceased.

Thank you for your help.

Respectfully,

Estate of Gaylyn Horne
