I will be doing this tomorrow but the only problem I see is the way it has been handled. We WILL have a discussion on this before the next round.

Roy,

Just wanted to touch base on the NSLs.....have you guys decided to shoot us yet? Are you leaning one way or another on these?

bTW, I've been communicating with Mr. Gallegos. I'm hopeful that he will agree with us and rescind his objection. If he does, we'll refile that well at a later date.
