Attention: Mr. Michael E. Stogner

Gentlemen:

An Exception to Rule 104 F. (2) by administrative approval is requested for the captioned well. The well is located 330' FSL & 1010' FWL, Unit Letter "M", of Section 4, T-23-S, R-37-E.

This well cannot be drilled at a standard location because of State Highway No. 18 running through the 40-acre proration unit. The attached C-102 shows the highway, highway right-of-way, railroad and railroad right-of way. Therefore, Texaco asks for your approval to drill at this unorthodox location.

There are no other operators in this section.

If there are any questions, please feel free to contact me at (915) 688-4606.

Sincerely,

**A. Phil Ryan
Commission Coordinator
