RE: Administrative Order No. DHC-523
A. B. Baker #3
Unit H Sec. 10, T-22S, R-37E
Lea County
Tubb and Drinkard Pools

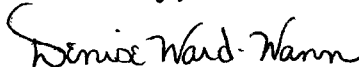

Dear Sir:

The above mentioned well was approved for downhole commingling in the Tubb and Drinkard Pools on September 24, 1984. At that time Amerada Hess Corporation elected not to proceed with the workover required to commingle the zones. At this time we would like to proceed with the workover and commingle the zones. No changes downhole have occurred and lease production remains as follows:

Tubb Zone	0 BO	0 BW	6 MCFPD
Drinkard Zone	0 BO	0 BW	184 MCFPD

Offset operators have been notified by a copy of this letter. Thank you for your prompt attention to this matter.

Sincerely,

Denise Ward-Wann
Senior Petroleum Engineer
