Subject: Report Approval (AP-116) (1st Quarter - 2013) - Thriftway Bloomfield Refinery Release Site

**RE: 1st Quarter Remedial Progress Report (2013) for the Thriftway's Bloomfield Refinery Release Site (AP-116)
626 County Road 5500, Bloomfield, New Mexico
Report Approval**

Dear Mr. Moss:

The New Mexico Oil Conservation Division (OCD) has received Thriftway's report for the above-referenced site (dated July 26, 2013). The above-referenced report, submitted in partial fulfillment of 19.15.30 NMAC, indicates that Thriftway has partially met the requirements of 19.15.30 NMAC for this site. Therefore, the OCD hereby conditionally approves the report for the Thriftway Bloomfield Refinery Release Site:

Thriftway must submit to the OCD each respective Quarter Remedial Progress Report within 90 days at the end of each respective quarter (e.g., the Report for the 2nd Quarter must be submitted by the end of September).

Please be advised that OCD approval of this report does not relieve the owner/operator of responsibility should operations pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the owner/operator of responsibility for compliance with any OCD, federal, state, or local laws and/or regulations.

Thank you for your cooperation in this matter. If you have any questions regarding this matter, please contact at 505-476-3489.
