SWD Approval 1434

Mr. Goetze:

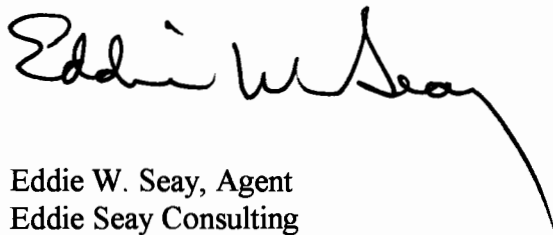

I am following up on an "Engineering Report" sent in October 2013, my client keeps asking.

The report addressed conditions of approval for SWD 1434.

If you did not receive the report, please let me know and I can forward a new copy.

I appreciate your consideration, and look forward to hearing from you.

Thanks,

A handwritten signature in black ink, appearing to read "Eddie W. Seay". The signature is fluid and cursive, with a long, sweeping underline that extends to the right.
