Mr. McMillan:

Burnett Oil Co., Inc. respectfully requests an exception without notice and hearing to NMOCD Rule 104 for the Gissler B #106 (Loco Hills Glorieta Yeso).

This location is 100' feet unorthodox at the surface and only affects Burnett and no other lease holders. The working interest owners and interests of Section 14, Units E & F are the same. I have attached a map showing the Burnett leases in this area as well as a copy of our C-102.

Please contact me if you have any questions or need any additional information.

Thank you,

It was moved East per the BLM to avoid overhead power lines and a ridge of sand dunes.

Attached is a copy of the email from our land department confirming same ownership as well as the Approved APD from the BLM.

Please let me know if you need anything else.

Thank You for the application.

Can you provide a reason for the NSL?

Can you get a landman to sign a document that you own the offsets (no affected parties).

Since no affected parties exist, I can process this by Friday if I get these two documents.
