<u>Description</u>	<u>Acres</u>	<u>Pool</u>	<u>Pool Code</u>
NE/4 of Section 2 Township 26 North, Range 6 West, Rio Arriba County, New Mexico.	160	Basin Mancos	97232

Reference is made to your application received on September 26, 2014.

Your application has been duly filed under the provisions of Division Rules 19.15.15.13 NMAC and 19.15.4.12.A(3) NMAC.

A standard proration unit in the Basin Mancos Gas pool consists of 320 acres comprising a half-section. Your proposed non-standard proration unit consists of one quarter-section.

It is our understanding that you are seeking this location because the NW/4 and S/2 of Section 2 are dedicated to the Blanco Tocito, South Pool. This pool is frozen, according to Hearing Order R-12984; therefore, the NE/4 is dedicated to the Basin Mancos Pool.

It is also understood that you have given due notice of this application to all persons to whom notice is required by Rule 19.15.4.12.A(3) NMAC.

The above approvals are subject to your being in compliance with all other applicable Division rules, including, but not limited to Division Rule 19.15.5.9 NMAC.

Jurisdiction of this case is retained for the entry of such further orders as the Division may deem necessary.
