Re: Application for a Non-Standard Location
Tomb Raider 1-12 Fed 512H
W/2 W/2 Sections 1 and 12-T23S-R31E
Eddy County, New Mexico

Dear Mr. Lowe,

Devon Energy Production Company, L.P. ("Devon") respectfully requests administrative approval of an unorthodox well location for the **Tomb Raider 1-12 Fed 512H** well to be completed in the Livingston Ridge; Bone Spring Pool (39350), API Number has not been assigned. As shown on the enclosed C-102, the permitted surface location is 200' FNL and 1460' FWL of Section 1-T23S-R31E, with a permitted bottom hole location 330' FSL and 1300' FWL of Section 12-T23S-R31E. The projected FTP (first take point) is expected to be approximately 1300' FWL and 600' FNL of Section 1-T23S-31E and projected LTP (last take point) is expected to be approximately 1300' FWL and 330' FSL of Section 12-T23S-R31E. The reason for permitting this well at an unorthodox location is to maximize recovery.

Please be advised that Devon and Tap Rock Resources combined, own 100% of the Federal leasehold interest in all of Sections 1 and 12-T23S-R31E. COG Operating, LLC ("COG") is the leaseholder of offsetting interest to the north in Section 36-T22S-R31E offsetting to the north. Devon and numerous additional working interest owners ("WI Owners") are the leaseholders of offsetting interest to the south in Section 13-T23S-31E. COG and the WI Owners have been notified of this application via certified mail to the address shown on the enclosed list labeled "Notified Parties".

Enclosed for your review are the following:

- Form C-102 for the Tomb Raider 1-12 Fed 512H;
- Land plat showing the project area for the Tomb Raider 1-12 Fed 512H lateral and offsetting tracts;
- List of affected parties being COG and the WI Owners;
- Administrative Application Checklist

If you have any questions concerning this application, please do not hesitate to contact me at (405) 228-2448 or email me at Ryan.Cloer@dvn.com.

Respectfully,

Devon Energy Production Company, L.P.

Ryan Cloer

Re: Application for a Non-Standard Location
Tomb Raider 1-12 Fed 512H
W/2 W/2 Sections 1 and 12-T23S-R31E
Eddy County, New Mexico

Mr. Lowe:

Devon Energy Production Company, L.P. ("Devon") respectfully requests administrative approval of an unorthodox well location for the **Tomb Raider 1-12 Fed 512H** well to be completed in the Livingston Ridge; Bone Spring Pool (39350) .

Devon desires to develop Sections 1 and 12-T23S-R31E in a manner which will protect correlative rights and prevent waste. Devon's objective is to prudently produce reserves in such a manner that may not otherwise be recovered. The non-standard location allows Devon to optimize well spacing for horizontal development thereby minimizing the risk of leaving reserves behind.

If anything further is needed contact me at (405) 228-7247 or James.Cain@devon.com.

Sincerely,

DEVON ENERGY PRODUCTION COMPANY, L.P.
