Re: Application of Centennial Resource Production, LLC for administrative approval of an unorthodox well location for its Tour Bus 23 State No. 506H Well in the E/2 E/2 of Section 23, Township 22 South, Range 34 East, NMPM, Lea County, New Mexico.

Dear Ms. Riley:

Centennial Resource Production, LLC (OGRID 372165) seeks administrative approval of an unorthodox well location for its **Tour Bus 23 State No. 506H Well** (API No. 30-025-44615) to be completed within the Ojo Chiso, Bone Spring (Pool Code 96553) underlying Section 23, Township 22 South, Range 34 East, Lea County, New Mexico. This well will be drilled from a surface location 300 feet from the north line and 625 feet from the east line (Unit A) of Section 23. The upper most perforation will be located 350 feet from the north line and 330 feet from the east line (Unit A) of Section 23, and the lower most perforation point will be located 100 feet from the south line and 330 feet from the east line (Unit P) of Section 23. Since this acreage is governed by the Division's statewide rules which provide for wells to be located no closer than 330 feet to the outer boundary of the spacing unit, the completed interval for this well will be unorthodox because it is closer than 330 feet to the southern and southeastern boundaries of the project area.

Approval of the unorthodox completed interval will allow Centennial to use their preferred well spacing plan for horizontal wells in this area and thereby prevent waste.

Exhibit A is the Well Location and Acreage Dedication Plat (Form C-102), which shows that the completed interval of the proposed **Tour Bus 23 State No. 506H Well** encroaches on the spacing and proration units to the south and southeast.

Exhibit B is a land plat for Section 23 and the surrounding sections that shows the **Tour Bus 23 State No. 506H Well** in relation to adjoining units and existing wells.

HOLLAND & HART^{LLP}

Exhibit C is a list of the parties affected by the encroachment to the south and southeast. Each of the parties listed on Exhibit C have been provided notice of this application by certified mail. A copy of this application has been provided to the State Land Office.

Your attention to this application is appreciated.

Sincerely,

A handwritten signature in black ink, appearing to read 'Adam G. Rankin', with a large loop at the start and a horizontal line extending to the right.
