Phil,

Chevron objects to the administrative application filed by Delaware Energy, LLC for approval of the Forehand Ranch SWD #1 Well in Section 5, Township 26 South, Range 27 East, Eddy County, New Mexico. Chevron currently has interests and drilling and production operations within this area and believes that this proposal will interfere with its correlative rights. This application is dated July 19, 2018, and Chevron received notice on July 20, 2018.

Please let me know if you have any questions or if you need anything further from me related to this protest.

Thank you,
Jennifer
