**Subject:** RE: Application to Inject: Karen Federal SWD 2 (Unit K, Sec 5, T26S, R34E, Lea) Case # 21029

Ms. Gorman,

Marathon Oil Permian LLC's protest of Vista Disposal Solutions LLC's Application to Inject for their Karen Federal SWD # 2 well is untimely and therefore cannot be accepted as a protest for the administrative application. However, because the application is already set for hearing, Marathon still has the opportunity to enter an appearance in the case. The Division therefore recommends that if Marathon Oil Permian LLC would like to voice opposition to the aforementioned application, that it file an entry of appearance and a pre-hearing statement in case #21029, so that it may present its testimony at the hearing.

Thanks, and let me know if you have any questions,

Regards,

**Dylan Rose-Coss**
