Mr. Lowe,

Longfellow requests that its administrative application for NSL of Janis State 20A 1H, 20 17S 29E be withdrawn. In conferring with the protestant, XTO, Longfellow has determined that it will be moving the location of the well to a location that complies with all setbacks.

Please let me know if I should engage in a more formal process to withdraw this application. Thank you for your assistance.

Best,
Sharon
