Re: Application of Marathon Oil Permian LLC for administrative approval of unorthodox well location for its Valkyrie 12 WD Federal Com 8H well, located in the S/2 of Section 12, Township 23 South, Range 28 East, and Section 7 of Township 23 South, Range 29 East, NMPM, Eddy County, New Mexico.

Dear Director Sandoval:

Marathon Oil Permian LLC ("Marathon"), OGRID Number 372098, is seeking administrative approval of an unorthodox well location ("NSL") for the **Valkyrie 12 WD Federal Com 8H well** (the "Well") to be completed within the Purple Sage Wolfcamp Gas Pool (Pool ID: 98220) underlying the S/2 of Section 12, Township 23 South, Range 28 East, and Section 7 of Township 23 South, Range 29 East, NMPM, Eddy County, New Mexico. A C-102 for the Well is attached as Exhibit A. This is a horizontal well that will be drilled as follows:

- First Take Point: 2,178' from the South line and 100' from the West line of Section 12;
- Last Take Point and Bottom Hole Location: 2,178' from the South line and 100' from the East line of Section 7.

Marathon has included as Exhibit B a letter explaining why this application is needed. This well will produce from the Purple Sage Wolfcamp Gas Pool (Pool ID: 98220). The special pool rules establish 330' foot setback requirements. The completed interval for the proposed well is closer than 330' from the boundary of the spacing unit.

The unorthodox location will encroach towards the SW/4 of Section 8, Township 23 South, Range 29 East and towards the SE/4 of Section 11, Township 23 South, Range 28 East.

Tel: 505.848.1800
www.modrall.com

Marathon is providing notice to the working interest owners in the SW/4 of Section 8, Township 23 South, Range 29 East and to the working interest owners in the SE/4 of Section 11, Township 23 South, Range 28 East. Marathon is also providing notice to the Bureau of Land Management as the owner of the mineral estate with respect to offsetting areas. Marathon also provides a midland map of this area, attached as Exhibit C. Proof of mailing, along with a copy of the notice letter sent to affected parties, is attached hereto as Exhibit D.

Your attention to this matter is appreciated.

Sincerely,

Deana M. Bennett

Re: Non-Standard Location Application
Valkyrie 12 WD Federal Com 8H
Eddy County, New Mexico

Dear Ms. Sandoval,

Marathon Oil Permian LLC respectfully requests administrative approval of the non-standard location for the Valkyrie 12 WD Federal Com 8H well, to be drilled in Purple Sage; Wolfcamp (Gas) pool (98220). Marathon plans for this well to have a first take point at 100' FWL and 2,178' FSL of Section 12, and last take point at 100' FEL and 2,178' FSL of Section 7, which is closer to the unit line than allowed under the subject field rules. Marathon requests this non-standard location because the placement conforms to the first and last take points of the other wells in the section. This spacing best fits into the spacing for the other wells in the development plan of the entire section and we believe that it will result in the greatest recovery of reserves.

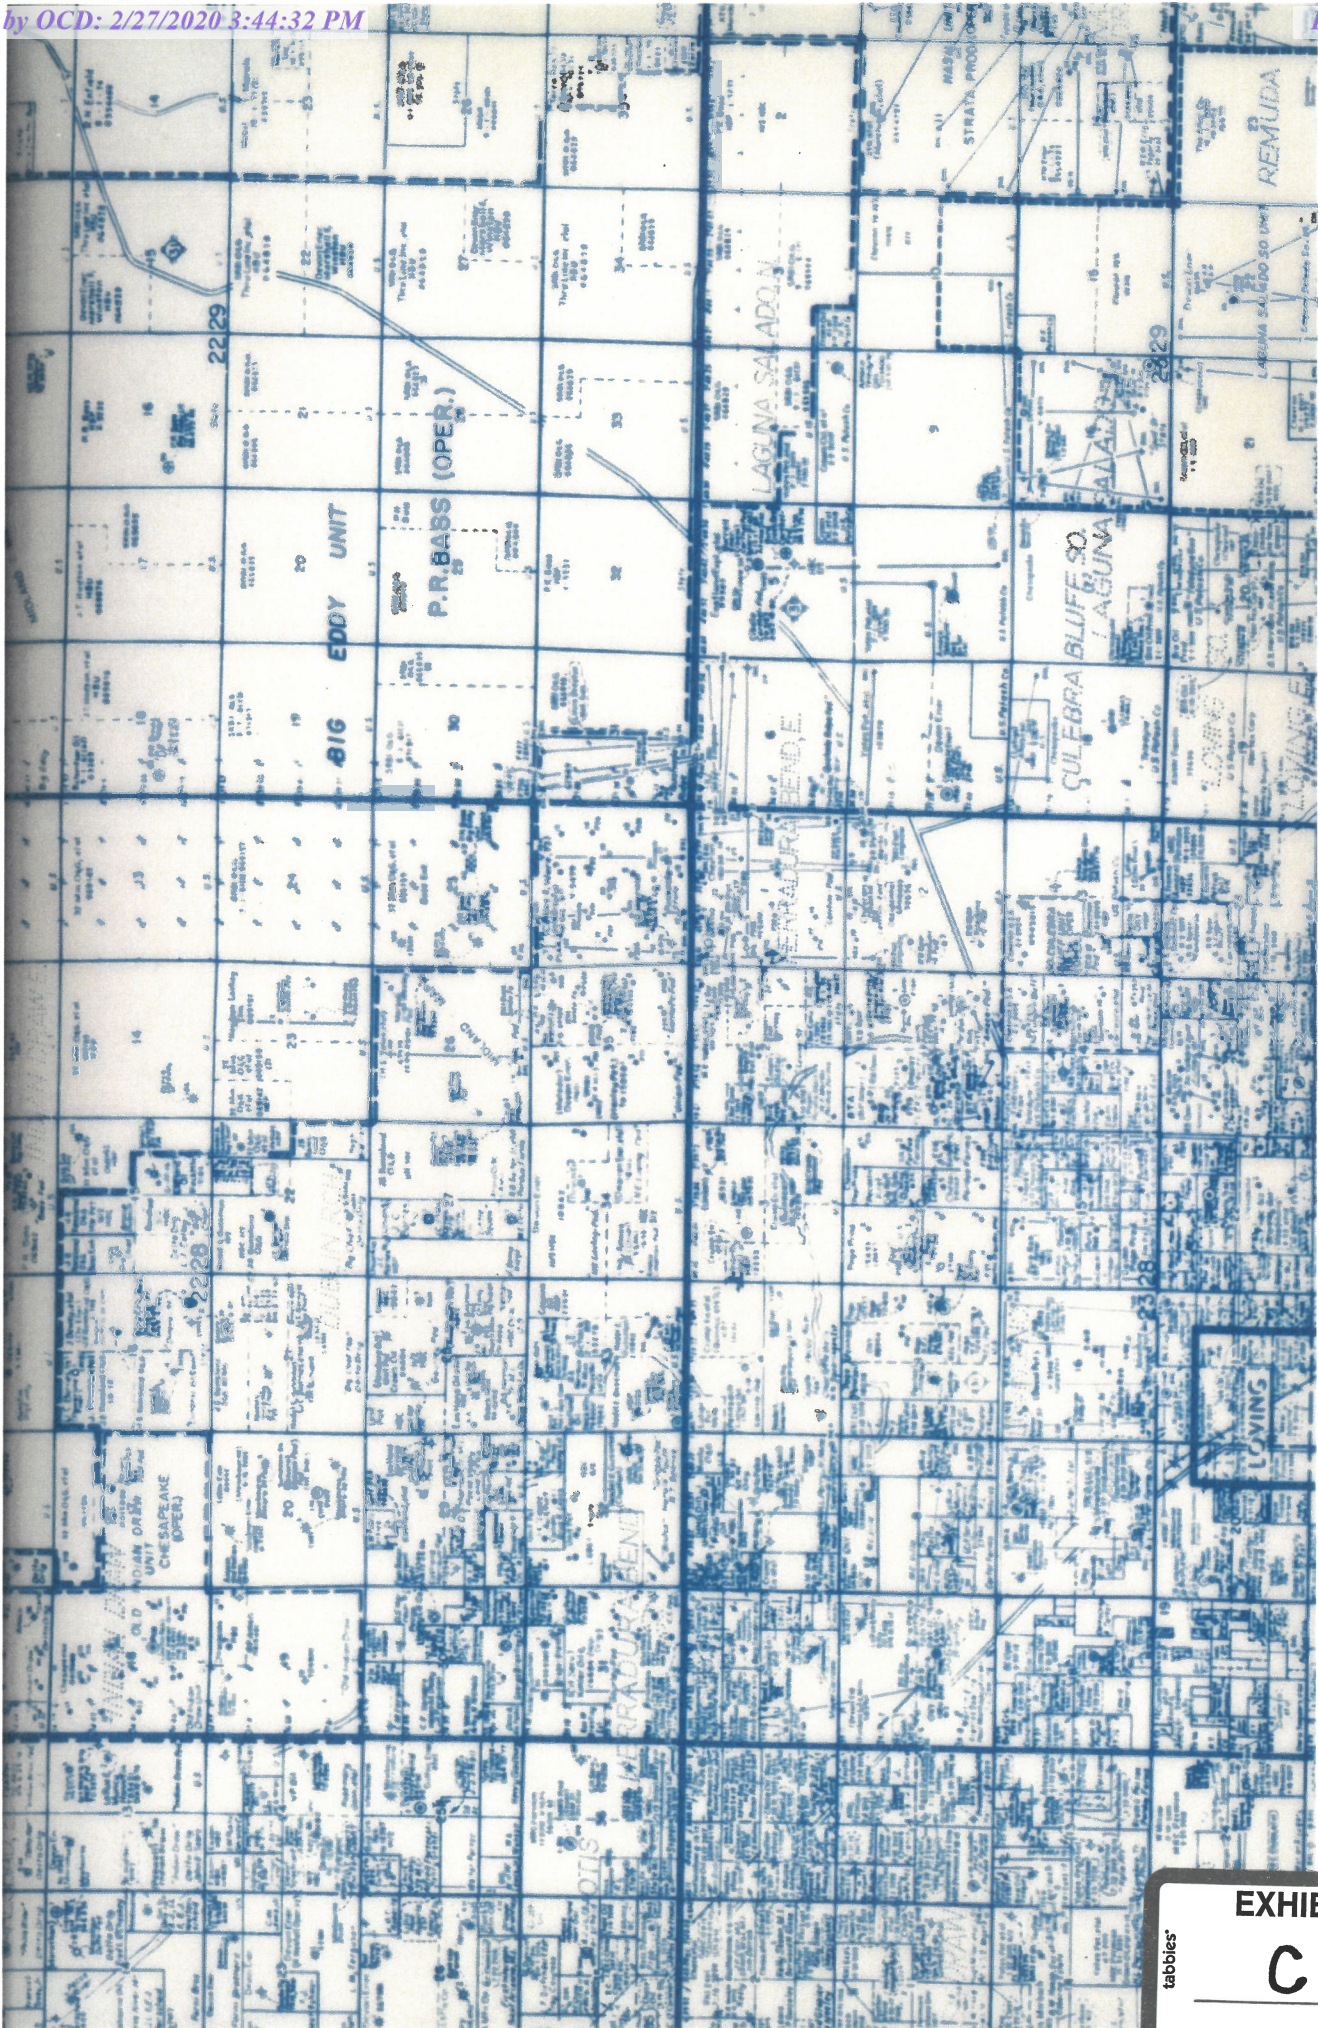

Thank you for your consideration. Should you have any questions please contact me at (713) 296-1883.

Sincerely,

A handwritten signature in blue ink that reads 'Billy S. Moore'.
