Hi John,

Attached are the maps for Trojan Horse. I will get the Valkyrie maps to you tomorrow or Thursday.

Please let me know if these work. I reattached the C-102s as a kind of cover sheet for each map I prepared for each individual well. I also enlarged the midland map and outlined the HSU on it in yellow. I provided that both in landscape and portrait orientation, in case one works better for you. I also have attached the electronic version of the midland map, which is a bit easier to read, but which does not have my highlighted area drawn on it.

Appreciate your patience!

Thanks,

Deana
