RE: Notice of Application to Inject Fluid  
CC SR Ribeye SWD 001  
Eddy County, New Mexico

Dear Offset Owner/Surface Owner:

You were previously notified via certified mail of XTO Energy Inc's (XTO) application to the New Mexico Oil Conservation Division (NMOCD) to drill and complete a salt water disposal well.

A small change has been made in the location since the original C-108 was submitted. The new location remains in the same NENE Sec 24 T25S-R29E. However, since this is considered a 'material' change, it does require all affected parties to be re-noticed. Included with this notification is an updated Form C-102 and 1-mile area of review map.

XTO is requesting the application be granted administratively. Any objections to the application or requests for a hearing must be filed with the Oil Conservation Division, 1220 South St Frances Dr., Santa Fe, New Mexico 87505 within 15 days receipt of this letter.

Sincerely,
