**Re: Application of FAE II Operating, LLC for Administrative Approval to Surface Commingle and Sell Gas Production from the Jalmat Gas Pool for the Maralo State #1 Well at the Holt Mexico Tank Battery located in Unit O, Sec. 36, T-23S, R-36E, Lea County, New Mexico**

Dear Mr. McClure:

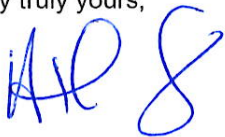

FAE II Operating LLC, OGRID: 329326, requests administrative approval for surface commingling and off-lease marketing of gas production from the Jalmat Gas Pool for its Maralo State #1 well located in Section 36, T-23S, R-36E as shown on the map in Exhibit A. The two separate leases are also identified by outline and legend. Exhibit B offers further detail on the relevant leases and wells.

The attached battery diagrams, Exhibits C and D, are accurate schematics of the current facility and the proposed commingled facility, respectively. The Maralo State #1 will have a gas orifice (allocation) meter manufactured and assembled in accordance with American Gas Association specifications. The Holt Mexico State Com #1 gas production will be determined by subtracting the metered well from the total production measured at the lease custody transfer meter. A new gas flowline will be laid from the Maralo State #1 well to the Holt Mexico State Com #1 well and tied in on the suction side of the compressor.

After a review of internal records, the interest owners are not identical for the wells mentioned above. As such, we have notified all relevant parties of our intent to commingle production (see attached letter). The working, royalty, and overriding royalty interest owners as shown in Exhibit E have been notified of this application by certified mail. Copies of the certified mail receipts are attached as Exhibit F.

This proposed commingling of production is in the interest of conservation and will not result in reduced royalty or improper measurement of production. If there are further questions concerning this application, please feel free to contact the undersigned by email at [kevin@faenergyus.com](mailto:kevin@faenergyus.com) or by telephone at (832) 220-9188.

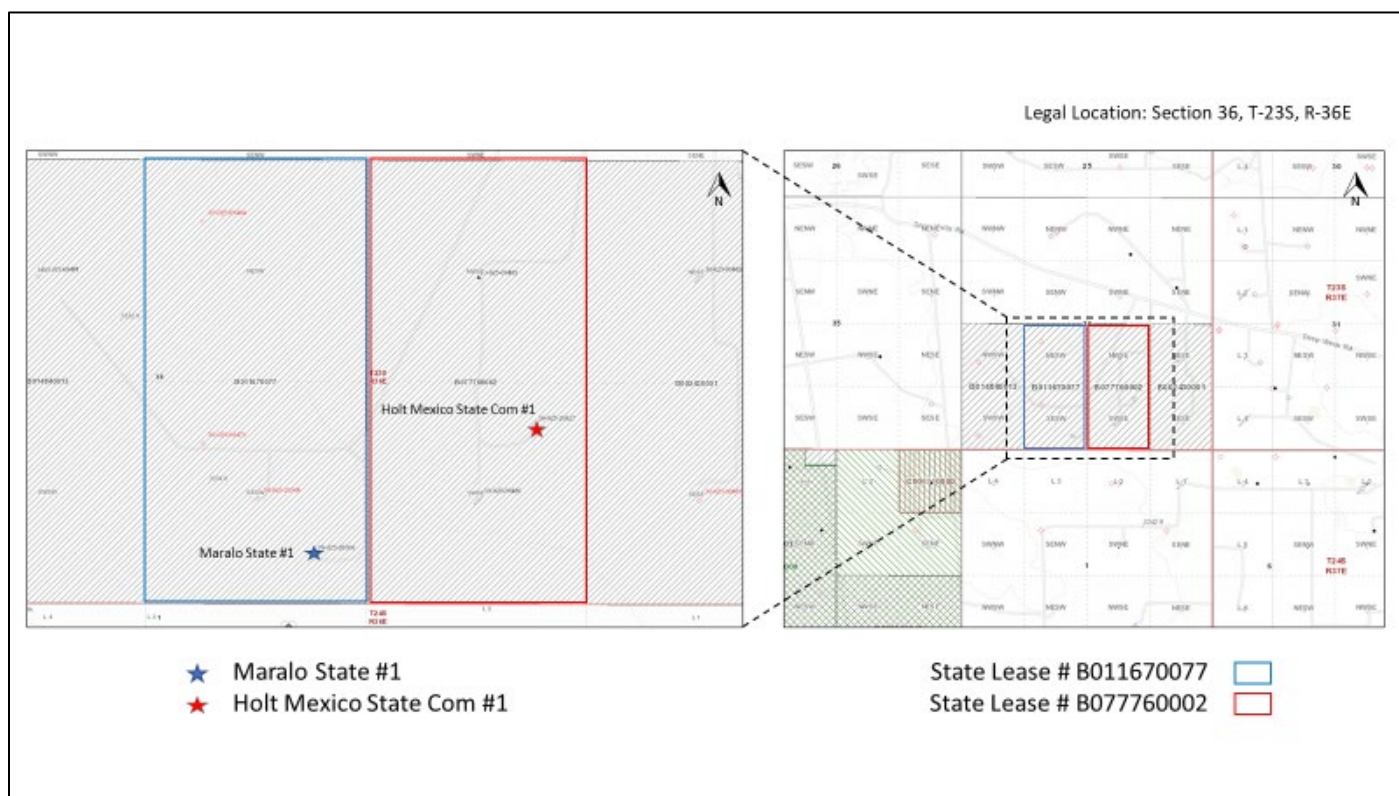

Very truly yours,

**FAE II Operating, LLC**
