***RE: Request for Extension of Deadline to Commence Injection; Administrative Order SWD-1752 pertaining to Rice Operating Company's O-34 SWD #1; 4,200 ft to 5,100 ft., Located in Section 34, T20S, R37E, in Lea County, New Mexico.***

Dear Ms. Sandoval:

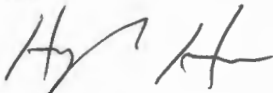

Due to the current Covid-19 pandemic and its effect on the local economy, Rice Operating Company is respectfully requesting approval to extend the above referenced Administrative Order for an additional one-year period. We are aware of the language in the previous extension but feel the state of the economy warrants special consideration.

ROC has researched the area of review via document searches and field audits, the results being all lease ownership remains the same as well as the wells that penetrate the approved injection interval.

Therefore, the Area of Review remains the same as the Originally Submitted C-108.

There have been no changes in affected persons notified during the original application.

Sincerely,

Hayden Holub
