Good Morning Kurt,

Probity wishes to withdraw its application for a saltwater disposal well called 'Tyson Lea SWD No. 1D' in Lea County (pBL1934054649). We are facing protests that, we feel, are unlikely to be overcome. Thanks for your assistance in handling the application- hopefully the other Lea County application will make it all the way.

Highest Regards,

For Probity's Tyson Lea 01D C-108 application, ALL Consulting has reviewed OCD's Administrative Completeness checklist and also conducted our own review of the application to identify any incorrect or missing pieces. Attached is a package of materials that supports this application and addresses the identified missing components.

Please let us know if you have any questions or need any additional information.

Thank You!
