Re: Request to add MNR 20 State 001H to Commingle Order PLC-436-a: Application of Breitburn Operating LP for administrative approval to surface commingle oil and gas production to the Encore M State Satellite #2 CTB.

Dear Mr. McClure,

This letter is to clarify ownership in the MNR 20 STATE 001H on New Mexico State Lease B-934 and include the well in the application for the above surface commingle.

The ownership is consistent and identical in the MNR 20 STATE 001H Lease for all of the pools (zones) to be surface commingled including the Drinkard 19190.

Please contact me if you have any questions or if you'd like any additional information. Thank you for your assistance in this matter.

Best Regards,
