Ms. Shaheen,

The OCD will continue to process the NSL application for the Ozzy Federal Com 18C Well No. 3H well. Conoco Phillips was the only Protestant for this application.

Did Case No. 21990 only reference this NSL application?

What is the status of the Elvis State Com 29A Well No. 1H?
SEP Permian and Conoco Phillips have both protested this application?

Mr. Lowe,

Attached is an email from COP counsel, indicating COP no longer objects to the above-referenced NSL application proceeding administratively. I am therefore planning to dismiss the related application for hearing (No. 21990). Please let me know if you need anything else to proceed administratively.

Thanks,
Sharon

Hi Sharon, ConocoPhillips has no objection to Longfellow pursuing administrative approval of its Ozzy NSL application given the agreement reached by the parties yesterday.

Thanks and have a good weekend,
Michael
