But if you cancel the 203H application I will re-file.

I'm a slug on these. I apologize.

Thanks, Leonard.

Mr. Bruce,

Can Tap Rock Operating, LLC's Landman submit a letter with the NSL applications attesting to the below statement with your NSL applications for the two submitted? OR submit signed waivers for all the affected parties

in the affected tracts.

Leasehold ownership is uniform as between the offsetting W/2E/2 of Sections 18 and 19, and the E/2E/2 of Sections 18 and 19. **Exhibit B.** As a result, there is no adversely affected party, and notice does not need to be given to anyone.

Please contact me if you need any further information on this application.
