Subject: Request for Extension of SWD-1795 pertaining to the Sholes Deep SWD Well No. 1 located in Unit O of Section 19, Township 25S, Range 37E, NMPM, Lea County, NM

To Whom It May Concern:

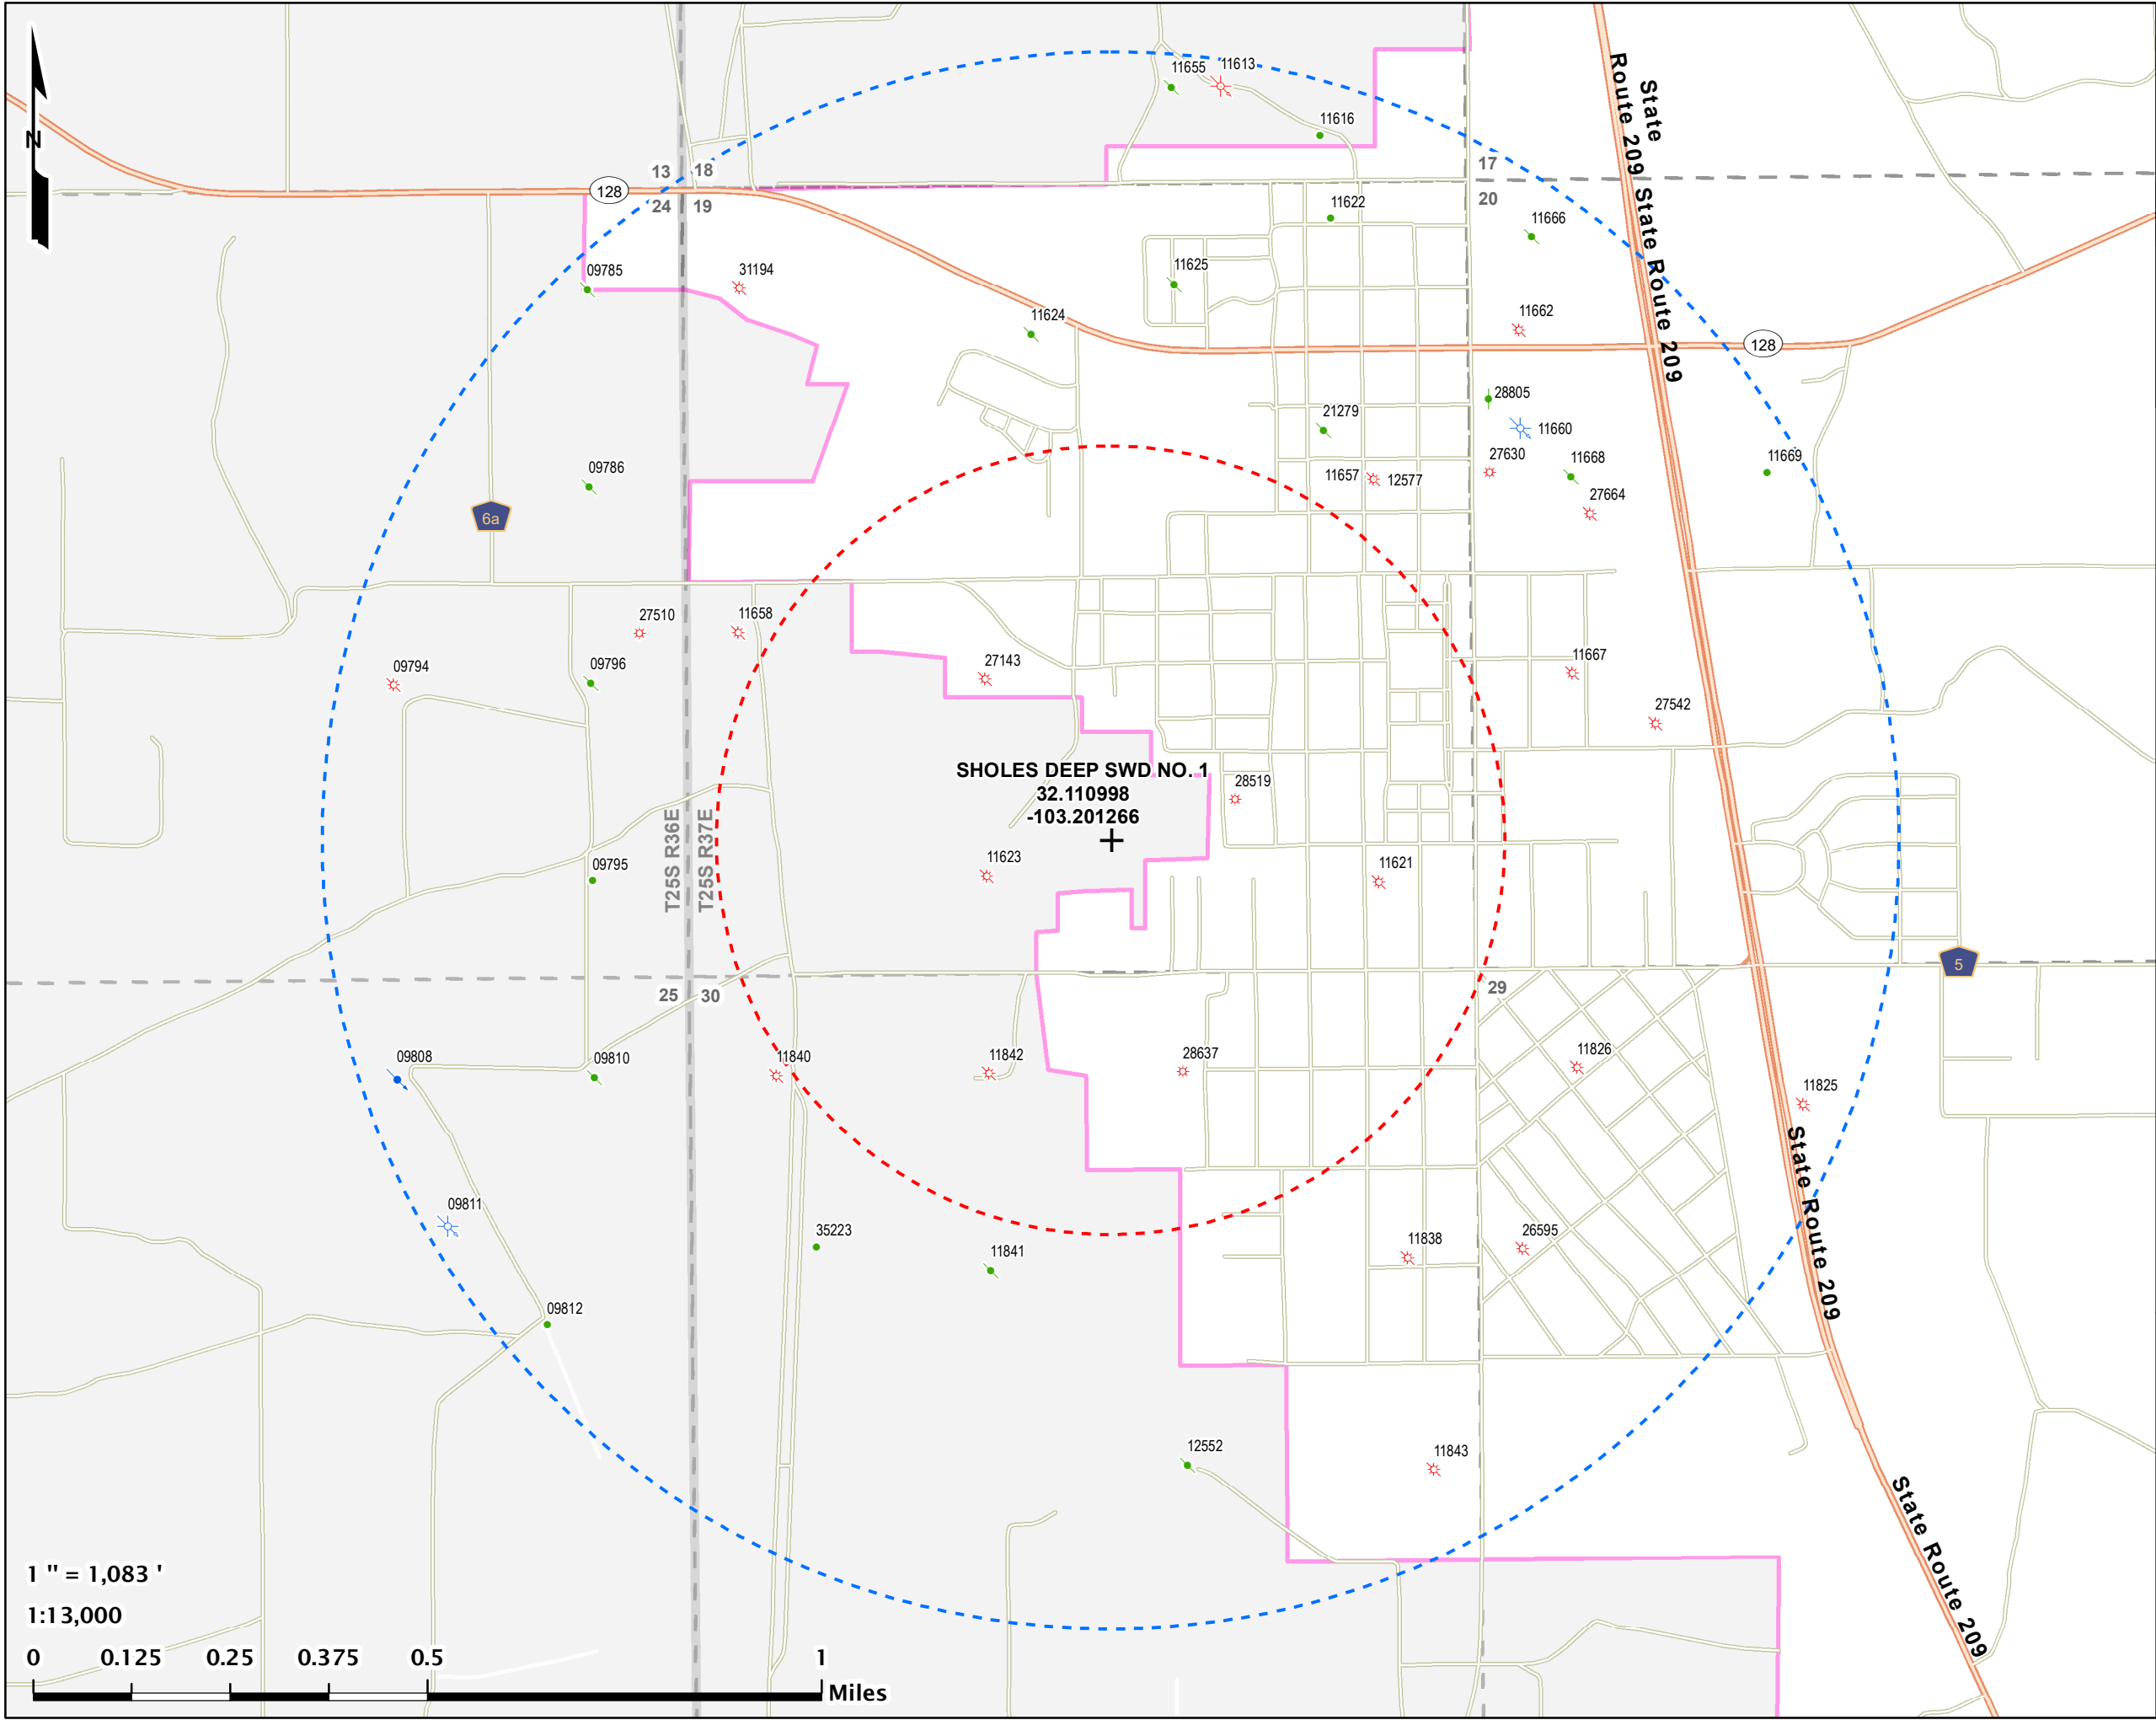

Due to recent market activity still lagging after Covid, as well as challenges with the ability to procure materials, especially pipe to complete the well, OWL SWD Operating, LLC, would like to request that the expiration date of Order SWD-1795 be extended for one year, to expire on February, 2022. In support of their request, we have included one-mile area of review map and lists. No new operators or mineral owners were identified since the previous request.

If you have any questions, please do not hesitate to call or email me.
