Mike and Terry,

Tetra Tech is preparing to start the soil remediation projects on the Electra Federal #5 Tank Battery on Thursday (9-22-11) and the Polaris B Tank Battery on Friday (9-23-11). The soil remediation sites will be performed according to the approved work plan. Tetra Tech will also notify you during each phase of the remediation project for inspection of the site. We will notify you on any schedule changes or delays on the project. Let me know if you need additional information, thanks
