RE: Request for Administrative Approval
Non-Standard Location
Turner # 19 (Apache Corporation, Operator)
1650' FSL, **1420 FEL**, Unit J
Section 22-T21S-R37E
Lea County, New Mexico

Dear Mr. Stogner:

Please find enclosed copy of a C-101 and C-102 on the above captioned well which was logged into the Hobbs OCD office 8-4-98. Also attached is a Midland Map highlighting in (orange) the 40 acre spacing for this well, with offset acreage highlighted in (yellow). No notification was made to offset operators due to the fact that all offset acreage (yellow) is owned by Apache Corporation. Please bring your attention to page 2 of the C-102, which shows the problem we have in obtaining a legal location for this well. As you will see, various fence lines, railroads, and electric lines prevent this location being moved any further west to get 330' off of the quarter/quarter line. As agent for Apache Corporation, I respectfully request your consideration for administrative approval of this location. Upon review, should you have any questions or care to discuss, please feel free to give me a call. Thank you for your attention to this matter.

Sincerely,
J. O. Easley, Inc.
