Subject: RE: COG - Birch Keely #196 Well Site: should be the Burch Keely 197

Mr. Tavaréz,

I believe that the spill in question occurred on the Burch Keely 197, not the 196.

Correct me if I'm wrong,

Terry Gregston

Subject: COG - Birch Keely #196 Well Site = Work Plan - Approval Request

Mike and Terry,

Please find the enclosed Work Plan for the Birch Keely #196 Well Site located in Eddy County, New Mexico. The work plan includes the soil assessments and recommendations for the remediation for the site. I will mail you a hard copy of the work plan for your files. Once approved, Tetra Tech will schedule the soil remediation and notify you before we start. Please let me know if you need additional information or call me if you have any questions, thanks
