Mr. Stubblefield

The plan as submitted will work for me. I need to be present for the confirmation samples. Just let me know when you are ready to take the confirmation samples and I will make arrangements to be there. There is an older spill that is on the west side of the road that looks to be associated with the same pipe line. Is this area part of your plan also?

Dear Mike Burton,

Is the work plan approved as presented, Talon/LPE would like to get started with the correction of the release at the Littlefield AB No. 5?
