David K. Brooks
Oil Conservation Division
1220 South St. Francis Drive
Santa Fe, New Mexico 87505

Dear Mr. Brooks:

Pursuant to Division Rule NMAC 19.15.15.13, Pride Energy Company applies for approval of an unorthodox gas well location for the following well:

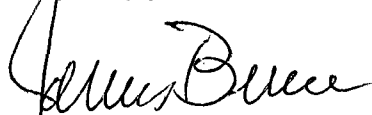

<u>Well:</u>	South Four Lakes Unit Well No. 15 (API No. 30-025-36882)
<u>Location:</u>	2380 feet FNL & 2230 feet FEL
<u>Well Units:</u>	N½ of Section 2, Township 12 South, Range 34 East, N.M.P.M., Lea County, New Mexico

The well was originally drilled to test the Devonian formation (Four Lakes-Devonian Gas Pool). The location was approved by Administrative Order NSL-5132. The well has now been recompleted in the Mississippian formation (Four Lakes-Mississippian Gas Pool), and applicant requests unorthodox location approval in that formation.

The well unit is within the South Four Lakes Unit. Furthermore, all of Section 2 is a single state lease, with common ownership. **Exhibit B.** The well location is internal to the unit and the lease, and does not encroach on any offset acreage. Therefore, there is no adversely affected offset owner, and notice of this application has not been given to anyone.

Please contact me if you need any further information.

Very truly yours,

James Bruce

Attorney for Pride Energy Co.
