Subject: Undesirable Event: NU12018MB, East Shugart Unit 24, Spill Report Due Date: 1/25/2012

Bruce Madden,

This notification is in regard to the following location and undesirable event:

Event Number: NU12018MB
Event Date: 1/4/2012
Event Name: East Shugart Unit 24
Legals: T18S/R31E, sec. 35, SESW

N TL-3A requires that a written report (C-141) be submitted within 15 days of the event date. The written report for the above location is due on 1/25/2012. Failure to submit the report by that date will result in the issuance of an Incidence of Noncompliance (INC).

Thank you for your attention to this matter.

Mike Burton

Dug up all contaminated soil and hauled it to CRI disposal
30'X12'X15' Fence off area block line in with flanges and valves.

I hereby certify that the information given above is true and complete to the best of my knowledge and understand that pursuant to NMOCD rules and regulations all operators are required to report and/or file certain release notifications and perform corrective actions for releases which may endanger public health or the environment. The acceptance of a C-141 report by the NMOCD marked as "Final Report" does not relieve the operator of liability should their operations have failed to adequately investigate and remediate contamination that pose a threat to ground water, surface water, human health or the environment. In addition, NMOCD acceptance of a C-141 report does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.
