Greetings,

Bureau of Land Management (BLM) personnel has forwarded New Mexico Oil Conservation Division, District 2 Office (OCD) information regarding a produced fluid release, referenced above. Information provided to OCD includes analytical data of a water sample obtained from a monitor well completed at the site. Please provide OCD all analytical data, including soil and/or water samples obtained at the site to date. Also include a report (with site diagram indicating sample points, depths, etc.) describing all activities performed at the site, to date, pertinent to the above referenced release.

If you have any questions or concerns, please contact me.

Thank you,

Mike Bratcher
