Mr. Bratcher:

At approximately 8:30 a.m. on 06/26/2012, the Chicken Hawk State #1 produced water tank was discovered running over. Approximately 80 bbls of produced water was released. A vacuum truck has recovered the free fluid and the water transfer pump has been removed from service, pending repair. We will obtain more details and submit a C-141. GPS coordinates, legal description, and driving directions below.
