Subject: RE: COG Operating - RJU #134 Flow line Work Plan - Approval Request

Ike,

I will be the contact on this event. Your plan as submitted meets our objectives. Give me a call when the site has been excavated, prior to backfill. Get back to me if any questions. Of if during excavation any issue. If pit liner is encountered during excavation stop and let me know. Thanks.

Subject: COG Operating - RJU #134 Flow line Work Plan - Approval Request

Mike and Terry,

Please review the attached work plan for the RJU #134 Flow line located in Eddy County, New Mexico. Once approved, the soil remediation will be implemented at the site. I will forward a hard copy of the report for your files. Please call me if you have any questions, thanks .
