Subject: COG Operating - Red Lake Sand #45 Flow line - Work Plan - Approval Request
Attachments: COG - Red Lake Sand #45 Work Plan .pdf

Mike,

Please find the enclosed Work Plan for the Red Lake Sand #45 flow line leak located in Eddy County, New Mexico. Once approved, Tetra Tech will schedule the soil remediation and will notify you before we start. I will mail you a hard copy of the work plan for your file. Please let me know if you need additional information or call me if you have any questions, thanks
