Gentlemen:

This is to advise you that Devon Energy Production Company, LP, is filing an application with the New Mexico Oil Conservation Division ("NMOCD") seeking approval to permit off lease measurement, sales & storage of production from the above well.

A copy of our application submitted to the Division is attached.

Any objections or requests that a hearing should be held regarding this application must be submitted to the New Mexico Oil Conservation Division Santa Fe office within 20 days from the date of this letter.

Please contact the undersigned at (405) 552-4524 should you have any questions or need anything further.

Sincerely,

Devon Energy Production Company, L.P.

**Subject:** Offlease Sales application from Devon: Travis 23K State Com #1 (one oil well, one pool, oil and gas)

Hello Melanie,

Richard normally handles surface commingles, but has asked me to complete this evaluation of your application.

I know this is a State lease, but I can't find the list of parties that were notified and the date they were notified – would you please send?

Apparently this oil well is spaced in the N/2 SW/4 Sec 23 T18S R28E so the owners to be notified would be all owners in that 80 acres who get a check from sales of this well. Let me know if it is only Devon and the State Land Office.

I apologize if you have already sent this.

Thanks in advance,

William V. Jones, P.E.
