RE: Downhole Commingling Request  
Cossatot A No. 1 Lease  
Unit B, Section 12, T22S -  
R37E, Lea County, New Mexico

Gentlemen:

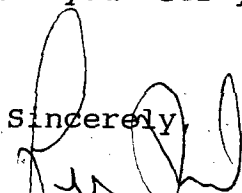

In reference to your letter dated July 13, 1993 the John H. Hendrix Corporation is seeking an amendment to Administrative Order DHC-908.

In the original request for downhole commingling of the above said well, our production figures used to figure the percentages for oil and gas for each pool were in error. Please use the following production figures and recommended percentages.

	<u>Oil</u>	<u>BOPD</u>	<u>Gas</u>	<u>MCFPD</u>
Blinebry Pool	9%	1	74%	248
South Brunson Drinkard- Abo Pool	<u>91%</u>	<u>10</u>	<u>26%</u>	<u>87</u>
Total		11		335

If you could amend DHC-908 to show these percentages we would appreciate it. Thank you for your consideration of this matter.

Sincerely,

  
Lee F. Wood
