Oil Conservation Division  
1220 South St. Francis Drive  
Santa Fe, New Mexico 87505

Dear Mr. Stogner:

Pursuant to Division Rule 104.F(2), Bass Enterprises Production Co. applies for approval of an unorthodox oil well location for the following well:

<u>Well:</u>	Poker Lake Unit Well No. 250
<u>Location:</u>	1400 feet FNL & 990 feet FEL
<u>Well unit:</u>	SE¼NE¼ of Section 30, Township 24 South, Range 30 East, N.M.P.M., Eddy County, New Mexico

The well will be drilled to a depth sufficient to test the Delaware formation. The formation is spaced on statewide rules, with 40 acre spacing, and wells to be located no closer than 330 feet to a quarter-quarter section line. A Form C-102 for the well is attached as Exhibit A.

The location is based on topographical reasons. The southern portion of the well unit is near a substantial draw, so the location had to be moved north of an orthodox location. See Exhibit B. Locating the well in the western part of the well unit minimizes the length of the road which needs to be built (coming in from the west).

The well is located on Federal Lease LC 069627-A, which covers, among other lands, all of Section 30. Because the lease has common ownership, there is no adversely affected party, and notice has not been given to anyone.

Please contact me if you need any further information on this application.

Very truly yours,

James Bruce

Attorney for Bass Enterprises Production Co.
