Dear Mr. Fletcher:

Reference is made to your recent application for an amendment to Division Order No. DHC-1182 dated January 4, 1996, which order authorized the downhole commingling of Blanco-Mesaverde and Basin-Dakota Gas Pool production within the well, to add the Otero-Chacra Gas Pool as a third commingled zone in the wellbore.

Assignment of allowable to the well and allocation of production from the well shall be on the following basis:
