Mike,

Please find the enclosed the two Work Plans for the Continental A State #12 and Continental A State Tank Battery located in Eddy County, New Mexico. The work plans include the soil assessment and recommendations to remediate the site. I will mail you a hard copy of the work plan for your files. Once approved, Tetra Tech will schedule the soil remediation and notify you prior to implementing the work plans. Please let me know if you need additional information or call me if you have any questions, thanks
