Mike,

Tetra Tech will start the remediation at the Choctaw State Tank Battery on Monday (5-21-12). The remediation will be performed according to the approved work plan. Tetra Tech will also notify you during each phase of the remediation. We will call if the schedule changes or have any delays on the project. Let me know if you need additional information, thanks

Mike,

Please find the enclosed Work Plan for the COG – Choctaw State #1 Tank Battery located in Eddy County, New Mexico. The work plan includes the soil assessment and remedial recommendations for the spill. I will mail you a hard copy of the work plan for your files. Once approved, Tetra Tech will schedule the soil remediation and notify you prior to implementing the work plan. Please let me know if you need additional information or call me if you have any questions, thanks
