**To:** Bratcher, Mike, EMNRD  
**Cc:** Skip Wedel  
**Subject:** Unit Gourelly Fed #3

Mike, after we talked yesterday I spoke with Skip Wedel with Unit and we are going to go ahead and drill an up gradient 2" monitor well at the site. As soon as we can get it set up I will let you know so you can be onsite if you can. We are planning to go at least 75', but we will let Ike Tavez make that call on site.  
Thanks,

**Gary E. Miller** | Office Manager and Senior Project Manager
