If a Watercourse was Impacted, Describe Fully.*:		
Describe Cause of Problem and Remedial Action Taken.*: while running route I noticed that there was a black spot out on pasture drove to location and found 3" poly line that was leaking and had a pin hole.		
Describe Area Affected and Cleanup Action Taken.* : leak sprayed an area of 60x50, immediately put clamp on line to prevent it from leaking more . there was no fluid standing on ground, this leak occurred about 50 yards west of injection well #45, leak covered both north and south of lease road.		

I hereby certify that the information given above is true and complete to the best of my knowledge and understand that pursuant to NMOCD rules and regulations all operators are required to report and/or file certain release notifications and perform corrective actions for releases which may endanger public health or the environment. The acceptance of a C-141 report by the NMOCD marked as "Final Report" does not relieve the operator of liability should their operations have failed to adequately investigate and remediate contamination that pose a threat to ground water, surface water, human health or the environment. In addition, NMOCD acceptance of a C-141 report does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.
