Subject: COG - Moody 18 State Com #001 and Resposada 2 State #2H - Remediation Notification

Mike,

Tetra Tech will be onsite today (11-13-13) to start the remediation on the Moody State Com #001 located in Eddy County, New Mexico. We will be moving the equipment in the morning, spotting lines and starting the excavation in the afternoon. Once completed, the Resposada 2 State #2H will be completed following the Moody State. The remediation on both sites will be perform as stated in the approved work plan. We will notify you during each phase of the project. Let me know if you have any questions, thanks
