Subject: COG Operating - Folk Federal Tank Battery - Sampling Notification

COG Operating

Folk Federal Tank Battery

Section 17, T17S, R29E, Unit H

Eddy County, NM

32 50.154 104 05.447

Mike and Terry,

Tetra Tech will be onsite Monday afternoon (5-9-11) to assess the spill at the Folk Federal Tank Battery. Soil samples will be collected using a hand auger to delineate the spill area. We will call you on any schedule changes on the project. If defined, a work plan will be submitted for your review. Call me if you have any questions, thanks

Ike Tavarez, PG | Senior Project Manager
