**Subject:** drilling and sampling schedule

Hello,

I've been wanting to get this out to you guys all day but just got confirmation of our drilling schedule a few minutes ago.

On Wednesday June 8, probably mid-morning or so we will have a drill rig at the Cimarex Federal TB No. 1 Battery. By mid-afternoon we plan on soil sampling at the Linn Keel No. 34.

On Friday June 10, we will begin drilling and sampling in the morning at the OXY Midwest Federal L No. 5.

If anything changes, we will let you know. If you have any questions, please do not hesitate to call my cell number listed below, or Mike Stubblefield at 575.441.7254. Thank you.

Respectfully,
