Subject: Florance #74 DHC-3488

Dear Mr. Catanach and Mr. Lovato:

XTO Energy Inc. applied for and approval was given for a downhole commingle on July 1, 2005 (DHC-3488) for the above-referenced well. The original permit allocated four pools: the Basin Dakota, the Blanco PC South, the Blanco Mesaverde and the WC Basin Mancos. Due to the unfeasibility of producing the Mancos, we are amending our allocations in the following manner:

	Gas	Oil
Basin Dakota	32.52%	61.34%
Blanco Mesaverde	35.92%	38.47%
Blanco PC South	31.56%	0.19%
WC Basin Mancos	0%	0%
Total Allocations	100%	100%

Please approve this amendment to Downhole Commingle Administrative Order DHC-3488. If there are any questions pertaining to this request, please contact me at (505) 324-1090.

Sincerely,

Holly C. Perkins
