**Subject:** West Artesia Grayburg Unit -- Remediation Update

Mike,

Talon's test truck will be on location Monday November 1, 2010 at 8:30 am. They will take samples to delineate the spills so that we can remediate them properly. If you have any questions do not hesitate to give me a call on my cell at 432-770-9738.

Regards

Marty Bloodworth
