RE: NMNM94839; Cottonwood Draw 22 Fed Com 1
SESE, Section 22, T25S-R26E
Eddy County, New Mexico

Gentlemen:

The above well location has had recent spill events related to oil and gas operations. In order to fully delineate the impacted sites, a drilling unit will be needed to complete the delineation. The Bureau of Land Management (land owner) authorizes the use of a drilling unit to accomplish the full delineation of the site.

If there are any questions please call Jim Amos, Supervisory Environmental Protection Specialist, at (505) 234-5909.
