**Re: Application of Matador Production Company for administrative approval of unorthodox well location for its Tiger 14-24S-28E RB #203H well located in the S/2 of Section 14, Township 24 South, Range 28 East, N.M.P.M., Eddy County, New Mexico.**

Dear Mr. Catanach:

Matador Production Company (OGRID No. 228937) seeks administrative approval of an unorthodox well location for its Tiger 14-24S-28E RB #203H well (API No. 30-015-43502) to be completed within the Culebra Bluff, Wolfcamp, South (Gas) pool (Pool Code 75750) underlying the S/2 of Section 14, Township 24S, Range, 28E, Eddy County, New Mexico. Attached as **Exhibit A** is C-102 for the well. This is a horizontal well that will be drilled as follows:

**Tiger 14-24S-28E RB #203H**

- Surface Hole Location: 1,638 feet from the South line and 330 feet from the East line of Section 14, Township 24 South, Range 28 East;
- First Perforation Point: 2,309 feet from the South line and 330 feet from the East line of Section 14;
- Last Perforation Point: 2,301 feet from the South line and 330 feet from the West line of Section 14; and
- Bottom Hole Location: 2,301 feet from the South line and 240 feet from the West line of Section 14.

Matador Production Company is requesting this NSL in order to efficiently produce its interests in Section 14. This well is producing from the Culebra Bluff, Wolfcamp, South (Gas) pool (Pool Code 75750). There are no

special pool rules for this pool, and thus the setback requirements under Rule 19.15.15.10(B) of 660' apply. As a result, the completed interval for this well is closer than 660' from the boundary of the project area. The unorthodox location will encroach towards the S/2 and the NW/4 of Section 13, the S/2 and the NE/4 of Section 15, and the N/2 of Section 14. **Exhibit B** is list showing the surrounding ownership and the project area for the proposed Tiger 14-24S-28E RB #203H well in relation to adjoining units.

**Exhibit C** is a list of the parties affected by the encroachment. Each of these parties have been provided notice of this application by certified mail, return receipt requested, advising them that if they have any objection to this well, it must be filed with the New Mexico Oil Conservation Division within 20 days of the mailing of this notice. In addition, a copy of this application has also been provided to the New Mexico State Land Office.

Your attention to this matter is appreciated.

Sincerely,

*Attorney for Matador Production  
Company*
