Lot 1, Lot 2, Lot 3, Lot 4, and S/2 N/2 of Section 2	320		

Reference is made to your application received on September 21, 2016.

You have requested to drill this horizontal well at an unorthodox oil well location described above in the referenced pool or formation. This location is governed by Special Rules for the Lusk; Bone Spring, East which provides for 160-acre units, with wells located no nearer than 660 feet to a unit outer boundary of the proration unit nor nearer than 330 feet to any government quarter - quarter section line. This surface location is outside the project area, and is permitted by Rule 19.15.16.15 B (4) NMAC which allows for surface location outside the project area. The proposed Project Area is comprised of three contiguous units within two sections

Your application has been duly filed under the provisions of Division Rules 19.15.15.13 NMAC and 19.15.4.12.A (2) NMAC.

An unorthodox location is required to maximize wellbore length and likewise the location is unorthodox in order to maximize the wellbore's productive interval.

It is also understood that you have given due notice of this application to all operators or owners who are "affected persons," as defined in Rule 19.15.4.12 A (2) NMAC, in all adjoining units towards which the proposed location encroaches.

Pursuant to the authority conferred by Division Rule 19.15.15.13 (B) NMAC, the above-described unorthodox location is hereby approved.

This approval is subject to your being in compliance with all other applicable Division rules, including, but not limited to Division Rule 19.15.5.9 NMAC.

Jurisdiction of this case is retained for the entry of such further orders as the Division may deem necessary.
